

If the production listed below cannot meet your demand in research, please also contact us because we can produce any and every custom diet with formula presently or previously available from any manufacturer.

Sheet 1. Standard Diets

Species	Diets type	Diet physical form	Standard
Rat, mouse	Cereal based diet	Powder or pellet	NIH
	Cereal based diet	Powder or pellet	NTP 2000
	Purified diet	Powder or pellet	AIN76, AIN93 or NRC95
	Chemically defined diet	Powder or pellet	AIN93, NRC95
	Purified diet	Liquid	AIN93, NRC95
	Chemically defined diet	Liquid	AIN93, NRC95
Hamster	Purified diets	Powder or pellet	NRC
	Chemically defined diet	Powder or pellet	NRC
Guinea-pig	Cereal based diet	Powder or pellet	NIH
	Purified diet	Powder or pellet	NRC
	Chemically defined diet	Powder or pellet	
	Purified diet	Liquid	
Woodchuck	Purified diet	Powder or pellet	
	Chemically defined diet	Powder or pellet	
	Purified diet	Liquid	
Chicken	Purified diets/pellet	Powder or pellet	NRC
	Chemically defined diet	Powder or pellet	
Rabbit	Cereal based diet	Powder or pellet	NIH
	Purified diet	Powder or pellet	
	Chemically defined diet	Powder or pellet	
	Purified diet	Liquid	NRC
Dog	Cereal based diet	Powder or pellet	NIH
	Purified diet	Powder or pellet	NRC
Cat	Purified diet	Powder or pellet	NRC
Ferret	Purified diet	Powder or pellet	
Monkey/nonhuman primate	Cereal based diet	Powder or pellet	NIH
	Purified diet	Powder or pellet	NRC
Pig	Cereal based diet	Powder or pellet	NRC
	Purified diet	Powder or pellet	
Gerbil	Cereal based diet	Powder or pellet	NRC
	Purified diet	Powder or pellet	
Vole	Cereal based diet	Powder or pellet	NRC
	Purified diet	Powder or pellet	
Duck	Cereal based diet	Powder or pellet	NRC
	Purified diet	Powder or pellet	
Goose	Cereal based diet	Powder or pellet	NRC
	Purified diet	Powder or pellet	

Sheet 2. Experimental (model) diets

Model diets	Diet form	Diet types
High energy (calorie) density diet	Powder or pellet	Cereal , Purified, Chemically defined diet
Carbohydrate-rich diet	Powder or pellet	Cereal , Purified, Chemically defined diet
High cholesterol diet	Powder or pellet	Cereal , Purified, Chemically defined diet
Protein deficient diet, or protein-free diet	Powder or pellet	Cereal diet, Purified diet
Low or high fiber diet	Powder or pellet	Purified diet, Chemically defined diet
AA deficiency, supplement or overload:		
Amino acid deficient diet: One or more AA below: L-Arginine L-Histidine L-Cysteine L-Aspartic Acid L-Tyrosine L-Leucine L-Tryptophan L-Threonine L-Valine L-Methionine L-Isoleucine L-Glycine L-Phenylalanine L-Proline L-Serine L-Glutamic Acid L-Alanine L-Lysine	Powder or pellet	Chemically defined diet
Mineral deficiency, supplement or overload:		
Calcium (Ca) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Magnesium deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Manganese (Mn) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Iron (Fe) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Copper(Cu) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Zinc (Zn) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Selenium (Se) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Iodine (I) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Sodium (Na) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Low sodium chloride (NaCl) diet	Powder or pellet	Cereal , Purified, Chemically defined diet
Potassium (K) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Low phosphorus diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin deficiency, supplement or overload:		
Choline deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin A deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B1 (Thiamin) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B2 (Riboflavin) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B3 (Niacin, Nicotinic acid) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B5 (Pantothenic acid) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B6 (Pyridoxine) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B9 (Folic acid, folacin) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin B12 (cobalamin) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin C deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin D deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin E deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin H (Biotin) deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Vitamin K deficient diet	Powder or pellet	Purified diet, Chemically defined diet
Changed ratio between nutrients		
<i>Any in above</i>	Powder or pellet	Purified diet, Chemically defined diet
